Funding day for doctoral candidates on 21 November

"I want to earn a doctor's degree! Though how do I finance that?" Answers to this question will be given at the Funding Day for students and doctoral candidates. It will take place on 21 November from 10.00h till 14.00h at the foyer of Carl-Zeiss-Straße 3.

There will be an information market where you can get first-hand information regarding funding and application from representatives of several foundations and institutions. Different funding possibilities will be introduced in several lectures. At 11.00h, Gunda Huskobla from Graduate Academy will talk about the topic "Promotionsfinanzierung - ein Überblick über Finanzierungsmöglichkeiten" (financing of the doctorate - an overview on funding possibilities).
