

PROGRAM

Monday, May 2, 2022

until 13:00 Arrival + light lunch

13:00 **Sven Hammerschmidt** (Greifswald)
Kristian Riesbeck (Lund) **Welcome**
Peter Zipfel (Jena)

13:15 **Speed Dating**

Session I: Immunology
Chair:

14:00 PhD talks

14:40 Coffee break

Session II: Pathogenicity Mechanisms
Chair:

15:00 PhD talks

16:20 Poster talks

17:00 **Juan A. Hermoso**,
Crystallography and Structural
Biology, Inst. Quimica-Fisica
"Rocasolano", CSIC, Spain Invited lecture I:
Bacterial cell-wall remodelling machineries and
the link with antibiotics resistance

17:45 Poster session part I

20:00 Dinner and get together

Tuesday, May 3, 2022

08:00 Breakfast

09:00 **Anna Blom**,
Medical Protein Chemistry
Group, Lund University,
Sweden Invited talk II:
Overcoming complement evasion strategies
developed by bacterial pathogens

Session III: Host pathogen interactions
Chair:

09:45 PhD talks 8

11:05 Coffee break

Session VI: Antibiotics
Chair:

11:25 PhD talks

12:45	Lunch	
Session V:	Infection biology	
Chair:		
13:45	PhD talks	
Session VI:	Host response	
Chair:		
14:45	PhD talks	
15:45	Coffee break	
16:15	Poster session part II	
18:30	Industry contact event	

Wednesday, May 4, 2022

08:00	Breakfast	
09:00	Muriel Gugger, Collection of Cyanobacteria, Institut Pasteur, France	Invited lecture III: Cyanobacteria, a gifted phylum for natural products
Session IV:	Bioinformatics and data analysis	
Chair:		
09:45	PhD talks	
10:25	Coffee break	
Session IV:	Bioinformatics and data analysis (cont.)	
Chair:		
11:00	PhD talks	
12:20	Sven Hammerschmidt Kristian Riesbeck Peter Zipfel	Farewell
12:30	Light lunch and departure
