

MiCoCo: From commensalism to pathogenicity: Interactions of *Candida albicans* with the host

The “Microbial Communication Colloquium” is organized by the JSMC Doctoral Researchers together with the members of the JSMC Faculty. The aim of this colloquium series is to present state-of-the-art research on “Microbial Communication” in all its multi-disciplinary facets.

For our MiCoCo Stars **Prof. Dr. Bernhard Hube** from the [Department Microbial Pathogenicity Mechanisms](#) at the Leibniz Institute for Natural Product Research and Infection Biology – Hans Knöll Institute (HKI) will give a talk about "**From commensalism to pathogenicity: Interactions of *Candida albicans* with the host**".
