

Former Events

February 25, 2021 - February 26, 2021

[Multi-locus amplicon sequencing - from project design to data analysis](#)

online [more...](#)

February 10, 2021 // 16:00

[MiCoCo: From commensalism to pathogenicity: Interactions of Candida albicans with the host](#)

online [more...](#)

February 4, 2021

[FSU PhD Day 2021](#)

online [more...](#)

January 22, 2021 // 19:00

[Failure sucks but it instructs](#)

Zoom [more...](#)

December 17, 2020 // 16:00

[Doctoral Disputation: Developing molecular tools for the de novo assembling of biosynthetic routes](#)

- closed to the public - [more...](#)

December 16, 2020 // 13:15

[Doctoral Disputation: Ahr1-dependent regulation of ECE1 and other core filamentation response genes in Candida albicans](#)

- closed to the public - [more...](#)

December 15, 2020 // 10:30

[Doctoral Disputation: Development of a user-friendly heterologous expression system and its applications for natural product biosynthesis](#)

- closed to the public - [more...](#)

October 5, 2020 - October 10, 2020

[Mental Health Day 2020 Webinar Series](#)

Zoom [more...](#)

October 1, 2020 - October 2, 2020

[IbSB 2020 DIGITAL](#)

[more...](#)

September 25, 2020 // 16:00

[Doctoral Disputation: The influence of cell surface attributes on the phagocytic vulnerability of Lichtheimia strains](#)

- closed to the public - [more...](#)

September 10, 2020 // 13:00

[What is this SciComm thingi?](#)

online [more...](#)

August 20, 2020 // 10:15

[Doctoral Disputation: Transcriptional regulation of tetrachlorethe respiration in Sulfurospirillum species](#)

- closed to the public - [more...](#)

August 12, 2020 - August 13, 2020

[Practical Course: Sensitive quantification by LC-MS/MS](#)

SR Alexander Fleming, Leibniz-HKI [more...](#)

July 24, 2020 // 14:00

[Doctoral Disputation: Phylogenetic and biochemical analysis of Actinobacteria isolated from fungus-growing termites](#)

- closed to the public - [more...](#)

May 4, 2020 - May 5, 2020

[POSTPONED: ILRS Symposium 2020](#)

Lecture hall Louis Pasteur, Leibniz-HKI [more...](#)
