

Former Events

March 27, 2024 // 10:15

[Doctoral Disputation: Identification of microbial secondary metabolites from fungus-farming termite associated microbes and elucidation of their biosynthesis](#)

Lecture hall Erbertstraße [more...](#)

March 4, 2024 // 13:15

[Doctoral Disputation: Ecology and Genome-guided Isolation of Novel Natural Products from the Actinobacterial Genus Amycolatopsis](#)

SR Louis Pasteur, Leibniz-HKI [more...](#)

January 24, 2024 // 08:15

[Doctoral Disputation: Structural and Functional Analysis of Bacterial Sulfonosphingolipids Regulating Cross-Kingdom Interactions Between *S. rosetta* and Its Prey Bacteria](#)

[more...](#)

November 28, 2023 // 14:15

[Candida albicans Tef1 bindet an Dektin-1 und Dektin-2 auf humanen Dentritischen Zellen und löst eine inflammatorische Immunantwort aus](#)

Lecture hall Neugasse 23 [more...](#)

October 27, 2023 // 14:15

[Doctoral Disputation: Spatiotemporal organization of sphingolipid inhibitors biosynthesis in filamentous fungi](#)

Lecture hall Neugasse 23 [more...](#)

September 21, 2023 - September 22, 2023

7th International Symposium "Systems Biology of Microbial Infection"

Leibniz-HKI, Jena [more...](#)

September 19, 2023 // 11:15

Doctoral Disputation: Investigation of the specialized metabolism of Clostridium spp. reveals novel biosynthetic assemblies and a self-resistance mechanism

SR Dorothy Hodgkin, Leibniz-HKI [more...](#)

September 13, 2023 // 12:15

Doctoral Disputation: Analysis of human extracellular vesicles induced by Candida albicans

SR Dorothy Hodgkin, Leibniz-HKI [more...](#)

July 31, 2023 - August 4, 2023 // 09:00 - 17:00

Ancient Metagenomics Summer School 2023

online [more...](#)

July 6, 2023 // 10:15

Doctoral Disputation: The chemical landscape of leaves as a driver for microbial community structure and metabolic interactions

Lecture hall Neugasse 23 [more...](#)

July 5, 2023 // 17:00

[MiCoCo Stars: Natural Products from Interacting Microorganisms and Ancient Microbiomes](#)

Lecture hall Erbertstraße 1 [more...](#)

June 30, 2023 // 15:30 - 19:00

[4th ILRS and JSMC Alumni Meeting](#)

online [more...](#)

June 26, 2023 // 14:15

[Doctoral disputation: Photochemical Synthesis of Biaryls and Cyclophanes](#)

Domasch lecture hall, August-Bebel-Str. 4, 07743 Jena [more...](#)

June 1, 2023 // 16:15 - 15:32

[Doctoral Disputation: The human complement system: A mathematical analysis of its regulation](#)

SR Dorothy Hodgkin, Leibniz-HKI [more...](#)

April 27, 2023 // 09:00 - 13:00

[Forsche Schüler Tag am Leibniz-HKI](#)
