

MiCom2018 Poster Awards

Congratulations to the winners!

March 28, 2018

The winners of the MiCom2018 poster awards: Maria Stroe, Antje Häder, Vandana Arakandy

At the 7th International Conference on Microbial Communication by Young Scientists - MiCom2018, more than 160 scientists participated. The conference saw many exciting presentations about research in all areas of microbial communication. Two ILRS doctoral researchers received an award for their poster presentations. Congratulations to Vandana Arakandy and Maria Stroe!
