

Open online course and quiz

New course and quiz by EU network BestTreat

March 9, 2021

The [Marie Skłodowska-Curie Innovative Training Network BestTreat \(Building a Gut Microbiome Engineering Toolbox for In-Situ Therapeutic Treatments for Non-alcoholic Fatty Liver Disease\)](#) is sharing open online courses on "**Introduction to Bioinformatics**" and "**Fundamentals of Clinical Trials**". You can watch the course material at

<https://besttreat.eu/blog.html>

and test yourself with the interactive quiz afterwards.

Have fun!
