

Poster Award at Myk 2018

Congratulations to Mareike Scheven!

September 12, 2018

At the annual meeting of the German-speaking mycological society, the **Myk2018**, Mareike Scheven received the poster award of the doctoral programme HOROS for her work on iron regulation in *Aspergillus fumigatus*. The prize was awarded jointly to Mareike and Matthias Misslinger from the lab of Hubert Haas. The meeting was held from September 6-8, 2018 in Innsbruck, Austria.

Congratulations to all winners!
