

Poster award for Christin Reimer at GIM 2019

September 16, 2019

ILRS doctoral researcher Christin Reimer won the FEMS Microbiology Letters Poster Prize at the International Symposium on the Genetics of Industrial Microorganisms (GIM 2019) in Pisa, Italy. Christin is studying amoeba as producers of secondary metabolites in the junior research group Evolution of Microbial Interactions at the Leibniz-HKI. Congratulations Christin!
